

Tobacco Education Clearinghouse of California Services Overview

Sales Catalog & Customer Service

- Our print and online sales catalog includes over 500 high quality, affordable tobacco education products.
- Our knowledgeable Customer Service staff is ready to help you find the products you need, send samples, and process your orders.
- Search, browse, and order items online at www.TobaccoFreeCatalog.org

Contact Information:
teccorder@tecc.org or
(800) 258-9090 ext. 103
Fax (831) 438-1442

Customized Material

You can order many of the items in the sales catalog customized with your local information including:

- Agency or program contact information
- Local/state quitline numbers
- Special event information
- Program slogans or health messages
- Local school information

Have your own ideas?

TECC can provide a variety of customized educational and advocacy items. Just let us know what you need!

Email us at:
customorders@tecc.org

Free Research and Reference Services

Our dedicated, professional Resource Library staff is available to help you:

- Reference and research questions
- Search for material and information on your topic
- Borrow library material including reports, books, articles, videos, training material, posters, games, and more
- Borrow display units for conferences
- Connect with experts in other CTCP-funded projects
- Keep informed about new tobacco-related research and resources through *Research Wire*, *Top 10 New Resources*, and *Secondhand Smoke Collection* email lists
- Provide one-on-one phone training on searching the Rover Library catalog or using any other Rover feature.

Visit **Rover**: California's Tobacco Control Library (www.tcsrover.org) to access library services, find out about new resources, search the library catalog, borrow material online, and create personal bibliographies and e-notices.

Contact Information:
tecclibrary@tecc.org or **(800) 258-9090 ext. 161 or 234**
