<p>Women's History Month</p>	<p>Happy #WomensHistoryMonth! #DYK that the tobacco industry has used predatory marketing tactics to sell tobacco to women for decades? They've exploited messages of beauty, fashion & freedom to get women hooked on their products.</p>	<p>https://www.tobaccofreekids.org/assets/content/press_of_fice/2021/womens-report.pdf</p>	<p>#WomensHistoryMonth #DYK #TobaccoFree #QuitToday #SmokeFree</p>							
<p>March 1st</p>				<p>Secondhand Smoke</p>	<p>Not only is #SecondhandSmoke harmful to your nonsmoking tenants, but residue from tobacco products damages carpets, walls, and is difficult to remove from vacant units. CA law states landlords have the authority to prohibit smoking on their property</p>	<p>https://www.undo.org/disease/secondhand-vape</p>	<p>#SecondhandSmoke #ToxicAir #TobaccoFree #QuitToday #VapeFree #SmokeFree</p>	<p>March 5th</p>	<p>TECC Resources</p>	<p>Consumer testing improves the effectiveness & accessibility of your tobacco-related educational materials, but where do you even start? Read TECC's helpful guide on consumer testing to learn best practices</p>
